

KMB SIGN PROJECT

Keep Mesquite Beautiful has an anti-litter project that may be of interest to you.

We want to place **fifty attractive signs** with the colorful KMB logo plus a slogan to remind all of us to do our part in making our city look its best. **We need help with this project.** Perhaps you can help.

Fifty sponsors donating \$200 each are needed for the production, installation, and maintenance of these signs. Sponsors will receive acknowledgement of their contributions and be recognized in various local publications. **Your tax deductible \$200 contribution will place a 30x24 sign in an area of high visibility such as along roadways, at parks and at schools.**

Keep Mesquite Beautiful wants you as a partner in this project. Together we can be a part of our city's Project Renewal. Together we can be part of the solution.

Again, your tax deductible \$200 contribution will place an attractive 30x24 anti-litter sign in our city.
