PUBLIC HEARINGS

- 15** Conduct a public hearing and consider possible action regarding a request from Ha Quyen Thuc of Peachtree Apartments, to substitute the requirement of an eight-foot-tall, long-span precast concrete screening wall for an eight or six-foot-tall wall constructed of a different material on property located at 1402 South Peachtree Road.

(This item was postponed at the February 7, 2022, City Council meeting.)

A public hearing was held to consider possible action regarding a request from Ha Quyen Thuc of Peachtree Apartments to substitute the requirement of an eight-foot-tall, long-span precast concrete screening wall for an eight or six-foot-tall wall constructed of a different material on property located at 1402 South Peachtree Road.

Garrett Langford, Manager of Planning and Zoning, stated that the applicant appeared before the City Council in 2019 and requested the substitution of the screening wall requirement to allow an unpermitted metal fence to remain in place rather than constructing the required long-span precast concrete decorative screening wall. At that time, Council denied the request, but allowed the applicant two years to install the required wall. The applicant came before Council on February 7, 2022, but the item was postponed to this meeting to allow the applicant to consider other fence materials and to reach out to adjacent property owners.

Mr. Langford stated that the applicant has revised the request and is seeking approval to utilize composite fencing or wrought iron fencing rather than a long-span precast concrete screening wall. The applicant has reached out to the adjacent property owners. However, they have no interest in selling their property or providing access to their property and have no preference regarding fencing material. He stated that a long-span precast concrete screening wall, along the east property line, will adversely affect the existing parking and/or fire lane.

Applicant Ha Quyen Thuc requested approval for either composite fencing or wrought iron fencing.

No one appeared regarding a request from Ha Quyen Thuc of Peachtree Apartments.

Mr. Boroughs moved that the screening wall requirements for this property be modified by allowing a substitute screening wall. The screening requirement for this property will be better served by allowing the following type of screening wall as a substitution. An eight-foot tall, precast screening wall with no columns that is between eight and six-inches in width. This type of substitute screening wall is depicted in the photograph that I am providing to the City Secretary to be made part of the minutes (Exhibit "A") and to evidence the substitute screening wall required by this motion. I further move that this substitute screening wall modification be good for a period of six months from today and the allowance automatically expires after six months if the substitute screening wall is not completed by then. Motion was seconded by Mr. Casper and approved unanimously.

Conduct a public hearing and consider a resolution approving the terms and conditions of a program to promote local economic development and stimulate business and commercial activity in the City, authorizing the City Manager to finalize and execute an Economic Development Program Agreement (Chapter 380 Agreement) for such purposes with SRPF C/Trinity Pointe Phase I, L.P., for the development of approximately 283 acres of real property located at 12855 FM 2932, in the City of Mesquite, Texas, and authorizing the City Manager to administer the agreement on behalf of the City.

A public hearing was held to consider a resolution for an Economic Development Program Agreement (Chapter 380 Agreement) with SRPF C/Trinity Pointe Phase I, L.P., for the development of approximately 283 acres of real property located at 12855 FM 2932.

Kim Buttram, Director of Economic Development, presented an overview of a proposed development, Twenty East at Trinity Pointe Business Park, located at IH-20 and FM 2932, in Kaufman County, which is being developed by Stream Realty.

Ms. Buttram stated that the proposed valuation of the buildings will add approximately \$11 million within ten years to the City's property tax base, real property only, and a 20-year value of approximately \$26 million. The agreement requires the developer to construct a minimum \$200 million capital investment with a minimum of 1.6 million square feet within three buildings in Phase One to be completed by December 31, 2023, and a minimum of 1.4 million square feet with flexibility in the number of buildings in Phase Two to be completed by December 31, 2028. Also, \$10.5 million will be invested to upgrade FM 2932 from the IH-20 service road to the southern entrance of the business park.

She stated that the development will receive water services from Talty Water Supply Corporation and sewer services from Heartland and therefore, will not be obligated to pay water and sewer impact fees to the City of Mesquite. The development directly impacts Texas Department of Transportation (TxDOT) roads and does not connect to any City of Mesquite roads; however, the developer is obligated to pay City of Mesquite Roadway Impact Fees.

Grayson Hughes, Director of Stream Realty Partners, presented an overview of the site plan and aerial and building renderings.

No one appeared regarding a Chapter 380 Agreement with SRPF C/Trinity Pointe Phase I, L.P.

Ms. Anderson moved to approve Resolution No. 17-2022, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MESQUITE, TEXAS, APPROVING THE TERMS AND CONDITIONS OF A PROGRAM TO PROMOTE LOCAL ECONOMIC DEVELOPMENT AND STIMULATE BUSINESS AND COMMERCIAL ACTIVITY IN THE CITY; AUTHORIZING THE CITY MANAGER TO FINALIZE AND EXECUTE AN ECONOMIC DEVELOPMENT PROGRAM CHAPTER 380 AGREEMENT FOR SUCH PURPOSES WITH SRPF C/TRINITY POINTE PHASE I, L.P., FOR THE DEVELOPMENT OF APPROXIMATELY 283 ACRES OF REAL PROPERTY LOCATED AT 12855 FM 2932 IN THE CITY OF MESQUITE, TEXAS; AND AUTHORIZING THE CITY MANAGER TO FINALIZE, EXECUTE, AND ADMINISTER THE AGREEMENT ON BEHALF OF THE CITY. Motion was seconded by Mr. Casper and approved unanimously. (Resolution No. 17-2022 recorded in Resolution Book No. 64.)

Conduct a public hearing and consider an ordinance for Zoning Application No. Z0222-0235, submitted by the City of Mesquite as the applicant, for a change of zoning making a map amendment to the official Zoning Map of the City of Mesquite by adding the designation "ML" for an individually designated local Mesquite Landmark, located at 701 East Kearney Street, the Lawrence Farmstead (Opal Lawrence Historical Park), and making a Zoning Text Amendment No. 2022-01, to the Mesquite Zoning Ordinance, amending Part 8, Section 8-200 "Mesquite Landmarks" by adding the property located at 701 East Kearney Street, the Lawrence Farmstead (Opal Lawrence Historical Park), as a designated local Mesquite Landmark ("ML") to the City of Mesquite, Texas, Landmark Register of Historic Places.

(Six responses in favor and none in opposition to the application have been received from property owners within the statutory notification area. The Landmark Commission recommends approval.)

A public hearing was held for Zoning Application No. Z0222-0235.

Jeff Armstrong, Director of Planning and Development Services, stated that in 2019, the City Council approved the creation of a Landmark Commission and new overlays for historic landmarks and historic districts. In 2021, the City Council approved the first proposed designation of a Mesquite Landmark, which was the Florence Ranch Homestead. The second property proposed for local designation is the Lawrence Farmstead (Opal Lawrence Historical Park) at 701 East Kearney Street. Mr. Armstrong presented photographs of the home and a brief history of the Lawrence Farmstead. He stated the Lawrence Farmstead is the only site in Mesquite that is listed on the National Register of Historic Places (1999), is a Recorded Texas Historic Landmark (1998), and is a recognized Centennial Family Farm by the Texas Department of Agriculture.

Mr. Armstrong stated that he does not anticipate this designation having any effect on the adjacent property owners.

Tom Palmer, 720 John Peter Court, expressed support for the proposed application.

No others appeared regarding the proposed application.

Ms. Vidler moved to approve Zoning Application No. Z0222-0235, as recommended by the Landmark Commission, and to approve Ordinance No. 4952, AN ORDINANCE OF THE CITY OF MESQUITE, TEXAS, APPROVING
