Myra Rogers, Manager of Budget and Treasury, stated this is the second of three public hearings regarding the Fiscal Year 2021-22 Budget. The State of Texas requires one public hearing. However, the City of Mesquite has typically offered multiple public hearings to receive citizen input. Results of the survey was reviewed and provided to the City Council for consideration. The survey was presented at the July 13, 2021, Town Hall Meeting and a recording of this meeting is available on the City's website. Ms. Rogers reminded residents that a Government Transparency button can be found on the main landing page of the City's website which offers access to most City financial information. Detailed schedules for the proposed budget are now available on the City's website. The final public hearing on the Fiscal Year 2021-22 budget is scheduled for the August 2, 2021, City Council meeting.

Conduct a public hearing for Zoning Application No. Z0321-0187, submitted by Tuong Nguyen, for a change of zoning from General Retail to General Retail with a Conditional Use Permit to allow a coin-operated amusement gameroom with modifications to allow a coin-operated amusement gameroom within 300 feet of a church and to have one customer restroom instead of the required one customer restroom each for male and female, located at 704 Gross Road. (One response in favor and none in opposition to the application have been

received from property owners within the statutory notification area. The Planning and Zoning Commission recommends denial.)

A public hearing was held regarding Zoning Application No. Z0321-0187.

Jeff Armstrong, Director of Planning and Community Development, stated that the applicant is requesting a change of zoning with a Conditional Use Permit to allow a gameroom with four coin-operated amusement machines at the same location as the existing Expressway Food Store, a convenience store located at 704 Gross Road. The business also includes limited fuel sales. The Zoning Ordinance requires gamerooms to be a minimum of 300 feet from any school, church or hospital. The applicant is requesting a modification that would allow a gameroom to be approximately 200 feet from a church property rather than the required 300 feet and a modification to have only one restroom.

Mr. Armstrong stated that on June 28, 2021, the Planning and Zoning Commission voted to deny the application. The applicant has submitted a timely appeal of the Planning and Zoning Commission's denial and has revised their request for only two game machines rather than the four originally requested.

Cindy Le, niece of applicant Tuong Nguyen, stated that they have owned the property for 27 years and for 15 of those years, have had four game games in the store. However, they did remove the game machines when the ordinance was amended. Ms. Le stated that they have seen a 5-10 percent loss of income since the game machines have been removed.

No one appeared regarding the proposed application.

Mr. Boroughs moved to deny Zoning Application No. Z0321-0187. Motion was seconded by Mr. Smith and approved unanimously.

18

Conduct a public hearing and consider an ordinance for Zoning Application No. Z0421-0193, submitted by Tuong Nguyen, for a change of zoning from General Retail to General Retail with a Conditional Use Permit to allow a coin-operated amusement gameroom, limited to two coin-operated amusement devices, with a modification within 300 feet of a church, conditioned on providing one customer restroom each for male and female, located at 710 Gross Road.

(One response in favor and none in opposition to the application have been received from property owners within the statutory notification area. The Planning and Zoning Commission recommends approval with certain stipulations.)

A public hearing was held regarding Zoning Application No. Z0421-0193.

Jeff Armstrong, Director of Planning and Development Services, stated the applicant is requesting a change of zoning with a Conditional Use Permit to allow a coin-operated amusement gameroom at the same location as the existing Superwash Dry laundromat. The Zoning Ordinance requires businesses with game machines to be a minimum of 300 feet from any school, church or hospital. The applicant is requesting a modification that would allow the gameroom to be approximately 215 feet from a church property rather than the required 300 feet. Mr. Armstrong stated that if the laundromat was more than 300 feet from the Family Cathedral of Praise property line, the business could have two game machines by right as an accessory use. Although less than 300 feet from the property line, the laundromat is located more than 900 feet from the

church building.

He stated that the Planning and Zoning Commission unanimously recommended approval of the Conditional Use Permit to allow a coin-operated amusement gameroom, limited to two coin-operated amusement devices, with certain stipulations, and denial of the modification for one restroom.

Cindy Le, niece of applicant Tuong Nguyen, stated that they have seen a 25-30 percent loss of income since the game machines were removed from the property. She stated that they are willing to convert the storage room to another restroom.

No one appeared regarding the proposed application.

Mr. Boroughs moved to approve Zoning Application No. Z0421-0193, as recommended by the Planning and Zoning Commission, with the following stipulations:

1. To allow a coin-operated gameroom, limited to two coin-operated amusement devices, in the existing laundromat with modification to the 300-foot separation requirement from a church and conditioned on the laundromat providing one customer restroom each for male and female.

And to approve Ordinance No. 4881, AN ORDINANCE AMENDING THE MESQUITE ZONING ORDINANCE BY APPROVING A CHANGE OF ZONING FROM GENERAL RETAIL TO GENERAL RETAIL WITH A CONDITIONAL USE PERMIT TO ALLOW A COIN OPERATED AMUSEMENT GAMEROOM, LIMITED TO TWO COIN OPERATED AMUSEMENT DEVICES, WITH A MODIFICATION WITHIN 300 FEET OF A CHURCH, CONDITIONED ON PROVIDING ONE CUSTOMER RESTROOM EACH FOR MALE AND FEMALE, ON PROPERTY LOCATED AT 710 GROSS ROAD; REPEALING ALL ORDINANCES IN CONFLICT WITH THE PROVISIONS OF THIS ORDINANCE; PROVIDING A SEVERABILITY CLAUSE; PROVIDING A PENALTY NOT TO EXCEED \$2,000.00; AND PROVIDING AN EFFECTIVE DATE. Motion was seconded by Mr. Miklos and approve unanimously. (Ordinance No. 4881 recorded in Ordinance Book No. 124.)

19

Conduct a public hearing and consider an ordinance for Zoning Application No. Z0521-0201, submitted by Roger Albright of Sheils Winnubst PC, for a change of zoning to amend Planned Development - General Retail Ordinance Nos. 3517 and 3581 to modify development standards for an existing self-storage facility, located at 4809 Belt Line Road.

(No responses in favor and two in opposition to the application have been received from property owners within the statutory notification area. The Planning and Zoning Commission recommends approval.)

A public hearing was held regarding Zoning Application No. Z0521-0201.

Jeff Armstrong, Director of Planning and Development Services, stated the existing self-storage business was constructed in 2005. All plans were approved by the City and permits were issued, even though, the plans did not conform to the Planned Development ordinances and other zoning requirements in place at that time. Earlier this year, a zoning verification letter was requested, and the owners learned that some aspects of their development do not meet the City's requirements. This application is intended to bring the property into

conformance. There are no proposed changes to the existing development.

Mr. Armstrong stated that one of the discrepancies is that that the ordinance requires a 20-foot separation between structures. In this case, some of the buildings are three feet apart. The Fire Marshall has reviewed the application and has given his approval, largely due to the fact that all of the buildings are fire sprinkled. He stated that the Planning and Zoning recommends approval.

Applicant Roger Albright, representing Sheils Winnubst PC, stated that no changes will be made to the existing development and the application is intended to bring the property into conformance.

No one appeared regarding the proposed application.

Mr. Miklos moved to approve Zoning Application No. Z0521-0201, as approved by the Planning and Zoning Commission, and to approve Ordinance No. 4882, AN ORDINANCE AMENDING THE MESQUITE ZONING ORDINANCE BY APPROVING A CHANGE OF ZONING TO AMEND PLANNED DEVELOPMENT – GENERAL RETAIL, ORDINANCE NOS. 3517 AND 3581, TO MODIFY DEVELOPMENT STANDARDS FOR AN EXISTING SELF STORAGE FACILITY LOCATED AT 4809 NORTH BELT LINE ROAD; REPEALING ALL ORDINANCES IN CONFLICT WITH THE PROVISIONS OF THIS ORDINANCE; PROVIDING A SEVERABILITY CLAUSE; PROVIDING A PENALTY NOT TO EXCEED \$2,000.00 FOR EACH OFFENSE; AND PROVIDING AN EFFECTIVE DATE. Motion was seconded by Mr. Green and approved unanimously. (Ordinance No. 4882 recorded in Ordinance Book No. 124.)

20

Conduct a public hearing and consider an ordinance for Zoning Application No. Z0521-0202, submitted by Graham Baumann, WRA Architects on behalf of the Mesquite Independent School District, for a change of zoning from Planned Development - Single-Family Ordinance No. 3783 to Planned Development - Single-Family Ordinance No. 3783 with a Conditional Use Permit to allow a new elementary school with a modification to the Special Conditions to allow queuing of vehicles within the public right-of-way, located at 6550 Shannon Road (future address is 6425 Park Vista Drive).

(No responses in favor or in opposition to the application have been received from property owners within the statutory notification area. The Planning and Zoning Commission recommends approval.)

A public hearing was held regarding Zoning Application No. Z0521-0202.

Jeff Armstrong, Director of Planning and Development Services, stated that the Mesquite Independent School District (MISD) proposes construction of the District's 34th elementary school on property located in the Hagan Hill subdivision. In addition to a Conditional Use Permit, the applicant is requesting a modification that would allow the queuing of vehicles to extend onto Chantilly Road. The street is 37 feet in width, which is wider than most neighborhood streets. He stated that the Planning and Zoning Commission recommends approval.

Applicant Graham Baumann, representing WRA Architects presented a rendering of the proposed layout of the development. Half of the site will include an elementary school with 1,000 student capacity and a storm shelter as required by 2018 International Building Code. The other half of the site will include a park with play fields, lighted basketball courts, playground and concrete walking trail.

No one appeared regarding the proposed application.

Mr. Aleman moved to approve Zoning Application No. Z0521-0202, as approved by the Planning and Zoning Commission, and to approve Ordinance No. 4883, AN ORDINANCE AMENDING THE MESQUITE ZONING ORDINANCE BY APPROVING A CHANGE OF ZONING FROM PLANNED DEVELOPMENT – SINGLE FAMILY ORDINANCE NO. 3783 TO PLANNED DEVELOPMENT – SINGLE FAMILY ORDINANCE WITH A CONDITIONAL USE PERMIT TO ALLOW A NEW ELEMENTARY SCHOOL WITH A MODIFICATION TO THE SPECIAL CONDITIONS TO ALLOW QUEUING OF VEHICLES WITHIN THE PUBLIC RIGHT OF WAY ON PROPERTY LOCATED AT 6550 SHANNON ROAD (FUTURE ADDRESS IS 6425 PARK VISTA DRIVE); REPEALING ALL ORDINANCES IN CONFLICT WITH THE PROVISIONS OF THIS ORDINANCE; PROVIDING A SEVERABILITY CLAUSE; PROVIDING A PENALTY NOT TO EXCEED \$2,000.00; AND PROVIDING AN EFFECTIVE DATE.
