1. Richard Larson, Chair, called the meeting to order. It was determined a quorum existed.
2. Julie Shelton made a motion to accept the September minutes. Tom Brown seconded the motion. The minutes were approved.
3. The Main and North Branch libraries each have one new document station for patron use. The stations allow patrons to scan to a USB or Fax. Users do not need to be Mesquite residents or have a Mesquite Public Library card.
4. Angela Bartula discussed new programs at the North Branch, including "Crazy Eights", a math program, and a knitting club. The North Branch book club now meets during the day and evening, giving patrons an option to attend that is most convenient for them. The Main Library held a Medicare Workshop. The library won "Most Creative" at the Mesquite Taste & Trade. The North Branch Library is now fully staffed.
5. Debra Morgan made a motion the meeting be adjourned; Tom Brown seconded the motion. The meeting was adjourned.
