COMMUNITY SURVEY

Citizens Community Survey Results Are In

The City of Mesquite conducted a 2021 Mesquite Community Attitude and Satisfaction Survey. The survey was administered by ETC Institute, a national leader in conducting customer satisfaction surveys for governmental organizations. Randomly selected Mesquite citizens were contacted in December 2021 to participate in the survey questionnaire by mail or online to ensure a scientific representation of the community. The survey then opened to the public for additional input on February 1, 2022. ETC tabulated the results and presented them at the March 21 City Council meeting.
