

## **2018 Meritorious Conduct Awards Officer of the Year – Brandon Keys**

The Mesquite Police Department is proud to recognize Officer Brandon Keys with the “Officer of the Year Award for 2017.”

Brandon joined the Mesquite Police Department in 2007 as a police officer. He served five years in patrol, and then transferred to Criminal Investigations in 2012. He worked as a forgery detective for two years before becoming a full time computer forensics investigator.

Brandon played a significant role in the Spillman implementation and transition period. Brandon created a case management page, which left the Spillman representatives astounded, saying that they intended to use it as a model for other agencies.

He also built a printable arrest warrant, D.I. query, jail forms and created a user-friendly reports page in the Mobile application. Brandon Keys’ contributions to the Spillman project transition has made a positive impact. He learned the system inside and out, and then came up with solutions to make it better.

His previous awards include Perfect Attendance, Firearms Proficiency, 5-year Safe Driving and CPA Officer of the Month.
