

**REAL. TEXAS. SERVICE. CHAMPION**

**Blake Watts, Public Works Department**

Blake has worked in the City's Water Utilities Meter Service Division for more than 15 years. He is responsible for reading 500 water meters a day and always completes his route on time. He also performs minor meter maintenance and repair duties.

Blake is a dedicated employee and team player, who offers to help his fellow employees when needed. He is known for his easy-going attitude and as someone who has never met a stranger. Blake embodies all the qualities the City seeks in those that serve our community.

Thank you, Blake, for providing our Mesquite community with Real. Texas. Service.
