

REAL. TEXAS. SERVICE. CHAMPION

Debbie Randall, Community Services Department

Debbie is an Executive Secretary in the City's Community Services Division. She is responsible for a variety of administrative duties, including payroll and invoices, and also assists in the Health Clinic when the clinic is short-staffed. She manages the administrative tasks for the City's Addressing Mesquite Day program as well.

Preparing for Addressing Mesquite Day requires mass communications with volunteers, homeowners and sponsors, plus extensive paperwork. Debbie handles all with great attention to detail. The program often requires frequent, last-minute scheduling changes, which Debbie accommodates with poise and flexibility to ensure the day is a success.

Thank you, Debbie, for providing our Mesquite community with Real. Texas. Service.
