

REAL. TEXAS. SERVICE. CHAMPION

Cynthia Sanchez, FinanceDepartment

Cynthia serves as a Finance System Analyst in the Finance Department. She oversees the City's enterprise resource planning system, which includes a variety of financial applications such as accounting and procurement. She is also responsible for training employees to use the system.

Cynthia's knowledge and skills make her an ideal person to oversee this system. She is an excellent instructor, who tailors her training to each individual's needs and goes above and beyond to ensure the system is operating at its best.

Thank you, Cynthia, for providing our Mesquite community with Real. Texas. Service.
