The Mesquite Veterans Memorial campaign is a community project to create public awareness and funding to build a new Veterans Memorial in Mesquite, Texas. The new memorial will be a destination to provide tribute to all military veterans and their families.

The current Veterans Memorial, established in 1975, is at the flagpole in Heritage Square located in downtown Mesquite. In 2008, a group of dedicated citizens, called the Heroes of Mesquite, began an effort to build a new Veterans memorial.

On Veterans Day 2017, the City of Mesquite helped launch a new community fundraising campaign to seek public support for the design and construction of a new Mesquite Veterans Memorial. The Memorial will create a lasting memory of those men and women who served our country with honor and dignity so their sacrifice is not forgotten.
