City reminds residents about coyote safety tips

As Mesquite continues to grow, reports of coyotes living in in the city have increased. The public is asked to call 911 if they see a coyote that appears to be sick, injured or is acting aggressively. If a resident knows of a coyote living in their neighborhood, please report it by calling Mesquite Animal Services at [972-216-6283](tel:972-216-6283) or visit www.cityofmesquite.com/Wildlife.

Mesquite earns state recognition for water delivery system

The Texas Commission on Environmental Quality (TCEQ) has notified the City of Mesquite that it achieved “superior” status for its public water supply system. The Utilities Division pumps more than 5.2 million gallons of water to customers through 550 miles of pipes. The TCEQ’s Dallas/Fort Worth Regional Office conducted their evaluation of the City’s public water supply system and concluded it continues to merit recognition as a “superior” system.

City seeks input on proposed changes to Engineering Design Manual

The Public Works Department has opened a public comment period for the City’s new Engineering Design Manual. The proposed manual is a major change in our current organization of design and construction policies. The public comment period ends Feb. 15. You can view the document at www.cityofmesquite.com/EngDesignManual. If you have questions, please email EngineeringDesignManual@cityofmesquite.com.
