

REAL. TEXAS. SERVICE. CHAMPION

Jacob Gallardo, Public Works

Jacob Gallardo is a Utilities Technician in the Public Works Department. With 13 years of dedicated experience, he is the one always called upon to help repair major water main breaks. He is eager to share his knowledge with his co-workers and is a natural leader, striving for excellence every day.

Jacob is also responsible for troubleshooting and marking all main breaks. Highly skilled at this critical task, Jacob uses GIS water maps to locate and turn off valves to limit the impact of water line breaks on residents and local businesses.

He approaches each of his tasks with a great attitude and a smile on his face, and is a true asset to our organization and to the Mesquite community.
