

REAL. TEXAS. SERVICE. CHAMPION

Mary Wavrusa, Library Services

Mary Wavrusa is an Administrative Aide in the Mesquite Library System with more than 40 years of service to the Mesquite community. Her intelligence, positive attitude and work ethic have earned her the trust and respect of all who know her.

Recently, Mary was instrumental to the library's successful adoption of the City's new payroll system. With many part-time positions and staff members with varied schedules, the Library faced more challenges than many departments in implementing the new system. Mary took it upon herself to become thoroughly knowledgeable about the system, and share her knowledge with staff members.

Her four decades of guidance and contributions have helped make the Mesquite Library System one of the best in Texas. Her professionalism and dedication make Mary a true Service Champion.
