BE PART *of* THE MISSION

The Mesquite Veterans Memorial will be a place to honor all military veterans and their families. The memorial is a community project to build a new place in Mesquite, Texas, to recognize the men and women who served our country and the families who supported them. The memorial is anticipated to be completed by Veterans Day 2020. For the latest updates on the memorial project, visit www.MesquiteVeteransMemorial.org.

The Mesquite Veterans Memorial will be located near City Lake Park to create a lasting memory of those men and women who served our country with honor and dignity. The beautiful memorial will be an opportunity to provide acknowledgement of all military veterans, as well as their families, so their sacrifice is not forgotten.

The memorial design includes a large plaza for community ceremonies. Inside the plaza there will be a special memorial column to recognize those from Mesquite who were killed in service. This memorial column will be bookended with two unique panels to pay tribute to the six branches of service with distinct military medallions. With three towering flag poles, a large American Bald Eagle, public benches and illumination elements, the memorial will sit atop a hill overlooking City Lake Park.

The Mesquite Veterans Memorial Brick Paver Program is an opportunity for the public to participate in this historic and patriotic project. The bricks will be located along the walkway that will lead visitors up to the entryway of the memorial's plaza. The prominent placement of each brick in this area of the memorial is a timeless gesture to pay tribute to the military veterans in anyone's family. Additionally, it is a unique way to memorialize a loved one, celebrate a graduate, recognize a retirement or to simply convey words of appreciation to the those who have protected our country through military service. Each brick will remain as a permanent piece of this memorial. Purchase a brick to display your pride for military veterans and a sacrifice not forgotten.

Each personalized brick is \$50 each, is 4" x 8" in size and includes 3 lines of text, with 20 characters per line (including spaces).

All inscriptions to be approved by the City of Mesquite.

For additional information, please contact Wayne Larson, the City of Mesquite's Director of Communications and Marketing, at 972-329-8319 or wlarson@cityofmesquite.com.
