

**REAL. TEXAS. SERVICE. CHAMPION**

**Tana Colwell, Paralegal**

As a Paralegal in the Legal Department, Tana Colwell is essential to reviewing critical materials and sensitive documents for the City of Mesquite, including official documents falling under the Public Information Act.

Tana's knowledge of laws impacting public information requests far exceeds most municipal attorneys. This allows her to aid the City in working with complicated issues with the state's Attorney General's Office. Mesquite has earned seven approvals from the Attorney General's Office, more than any other Texas city, for properly pre-determining sensitive information that should be redacted from public view.

Tana is the ultimate team player and helps maintain a seamless and efficient City Attorney's Office.
