All exam scores (pass and fail) will be posted, but only passing scores of 70.00% or above will be ranked. Please do not call the Fire Department or the Human Resources department for your score or information on where you currently stand in the process. All of this information will be posted on the link provided above.

Physical Ability Test Information

Candidates will be invited to take our Physical Ability Test (PAT) in groups of 30, with practice and testing dates planned to begin in March. **We will attempt to contact eligible candidates by email and phone with the times, dates and location for practice and completion of the PAT, using the information provided in your application.** Any changes in address, telephone number(s), email address, or marital status must be reported immediately to the Fire Department Training Office in person or by phone at 972-216-6267. We must have current and accurate contact information to keep you informed of your next steps in the application process.

Please note that practice and running of the PAT will begin promptly at the times provided to eligible candidates. Candidates who do not arrive at their appointed times and/or those who fail to bring government-issued photo identification will not be permitted to complete practice exercises or the PAT. Failure to complete the PAT will result in removal from the eligibility list.

After the PAT

Applicants who pass the PAT will be required to submit the following documents to the Fire Department. Documents provided will become part of the applicant's record and will not be returned to the applicant.

- Driver License (photocopy accepted)
- Social Security Card (photocopy accepted)
- High School Diploma, official transcript or GED (photocopy accepted)
- College Transcripts (One official, unopened college transcript will be required from ALL colleges attended. These will not be returned.)
- Birth Certificate (photocopy accepted)
- Marriage License, if applicable (photocopy accepted)
- Divorce Decree(s), if applicable (photocopy accepted)
- DD-214 Military Separation Report(s), if applicable. Must include all DD-214s if candidate had multiple enlistments, and each must show type of discharge. (photocopy accepted)
- Certificate(s) of Fire, EMT, and/or Paramedic training, if applicable. Include name and date of each school attended. (photocopy accepted)
- Personal History Form (provided upon successful completion of physical ability course)
- Please see the Mesquite Fire Department Required Documents Addendum for additional testing requirements and/or exemptions (also available online at <http://www.cityofmesquite.com/MFDJobs>)
- Immunization records will be required upon employment
