

## **REAL. TEXAS. SERVICE. CHAMPION**

### **Thalia Guaida, Senior Court Clerk**

As a Senior Court Clerk for the Finance Department, Thalia leads nine clerks in the daily operation and critical functions of the City's Municipal Court. This includes preparing essential legal documents for the Judge in the issuance of warrants.

Thalia exemplifies the city's CARE values by going the extra mile to serve the public and support her co-workers.

This was evident when the Texas Supreme Court ordered all courts to implement a "virtual court" operation due to the pandemic.

Thalia's leadership helped in a smooth transition to the new requirement of handling all hearings and trials virtually for clerks, prosecutors and judges.
