

REAL. TEXAS. SERVICE. CHAMPION

Lesley Frohberg, Senior Planner

Lesley is a Senior Planner in the Planning and Development Services Department and is responsible for managing private development projects through the development processes.

She is proactive in identifying problems and proposing solutions for customers, as well as being instrumental in helping to amend zoning ordinances to address issues in our community.

Lesley showcases our CARE values by her ability to assist a variety of customers, including citizens, property owners, developers, architects, engineers and other city employees with interpretation and compliance with the Mesquite Zoning Ordinance and Subdivision Ordinance.

Lesley's outstanding communication skills and professionalism have made her a valuable asset not only to her team but to the entire City organization.
