

REAL. TEXAS. SERVICE. CHAMPION

Gail Thompson, Legal Department

Gail Thompson works as Paralegal II in the City of Mesquite Legal Department. In addition to assisting the City's attorneys with legal work, one of Gail's primary responsibilities is handling claims filed by the City when City property is damaged by outside sources. Over the last 15 years, Gail's diligence in pursuing these claims has resulted in the collection of more than \$2.25 million for the benefit of the City of Mesquite and its citizens.

Gail's dedication to our community is further evident by her participation in the City-sponsored Real. Texas. Giving. program which raises funds for local charitable organizations. Gail has assisted with this program for the last 16 years, and in just the past five years, the program has raised close to \$200,000 in donations to aid the Mesquite community and surrounding areas.

Gail is an invaluable asset to the City of Mesquite and has all the qualities of a Real. Texas. Service. Champion.
