

REAL. TEXAS. SERVICE. CHAMPION

Orry Hill, Mesquite Metro Airport

Orry Hill is a Line Service Technician at the Mesquite Metro Airport and is responsible for taking care of all airport customers and tenants. He is well-known for his attentiveness and dedication to provide the finest customer service possible.

Orry is always on the airfield performing his job duties regardless of weather conditions. His dedication to customers and his job makes his integrity beyond reproach. He is willing to drop whatever he is doing if a co-worker or customer needs assistance, and he is always willing to work extra hours. He is a true asset to airport patrons.

His dedication and superior service to our community make him a true Service Champion.
