

REAL. TEXAS. SERVICE. CHAMPION

Arthur Branch, Public Works

Arthur Branch works as a Heavy Equipment Operator for the Public Works Department. He is responsible for the safe and efficient operation of our municipal solid waste transfer station.

Arthur is a go-to employee of the Solid Waste team and tirelessly works behind the scenes whenever the city is faced with special projects or events. He is considered fearless when faced with new challenges and always finds a way to get the job done.

Arthur also has the heart of a public servant. He has helped with several significant events and projects, including Keep Mesquite Beautiful's Trash Bash, Mesquite Recycles Day, E-Waste and our downtown Front Street Station. He is a true Real. Texas. Service. Champion.
