

## **REAL. TEXAS. SERVICE. CHAMPION**

### **Maria Dominguez, Facilities Maintenance**

Maria Dominguez is a custodian that maintains the George Venner Municipal Center. The Venner Center is one of our most frequently visited facilities by the citizens of Mesquite. Maria takes great pride keeping the building clean and comfortable for visitors.

She is known for her positive attitude and respect for all visitors. Maria is willing to work on the weekend if needed and often trains new hires. She is one of our most complimented staff members and works to build relationships with her fellow employees. Her “can do” attitude makes her an invaluable employee of Mesquite.

She is a true Real. Texas. Service. Champion.
