

REAL. TEXAS. SERVICE. CHAMPION

Pam Dunworth, Human Resources

Pam Dunworth is a payroll and Human Resources Information System Technician. She prepares the City's biweekly payroll for all departments. She is readily available to answer questions and provide information to employees and department payroll administrators about payroll procedures.

Pam also provides training to staff involved with the City's payroll system and works with the Information Technology and Finance Departments to troubleshoot and resolve any problems that may arise.

Pam always has a "can-do" positive attitude and goes the extra mile to ensure employees understand their pay and deductions. Her patience and compassion when working with fellow employees is unmatched.

She is an invaluable employee and a true Real. Texas. Service. Champion.
