Save money and water with WaterSmart

The City of Mesquite has partnered with WaterSmart to offer residents detailed information about household water use. WaterSmart is a free online service that provides tools to understand and manage water use, detect potential leaks, and get the most value from every drop of water used. Mesquite water customers can access all utility data as soon as it becomes available on an hourly, monthly, or daily basis to view water use compared to similar-sized homes by neighborhood, and get access to customized recommendations for how to save water and money. To register for WaterSmart, customers will need their billing account number and an email address. Reach the portal on a mobile device or web browser at www.cityofmesquite.com/WaterSmart.
