Leak alerts now available on WaterSmart service

The "leak alerts" feature of WaterSmart is now available for all City of Mesquite residents. WaterSmart, a free online service, offers residents detailed information about how to understand and manage household water use, detect potential leaks, and get the most value from every drop of water used. WaterSmart's real-time leak notification system detects and alerts customers about potential leaks in their home and helps them identify the source of the leak. To learn more about the City's WaterSmart program, visit www.cityofmesquite.com/WaterSmart.

Mesquite's first spray pad opens at Clay Mathis Park

The City of Mesquite has officially opened its very first spray pad, the Spray Zone at Clay Mathis Park, 2181 Clay Mathis Road. A spray pad is an interactive playground with various water features such as nozzles that spray water upward from a deck and whimsical shower-style features. The Spray Zone is part of a package of improvements to Clay Mathis Park, including new shade structures, additional parking, a new restroom building and updated playground equipment. The Spray Zone will operate from May 1 through Sept. 30 annually. Visit www.cityofmesquite.com/Parks for more information.
