

REAL. TEXAS. SERVICE. CHAMPION

Mike Petrea, Planning and Development Services

Mike Petrea is a Residential Construction Inspector in the Planning and Development Services Department. He is responsible for inspections of new residential construction and assists with commercial construction.

Mike provides excellent customer service and is particularly skilled at de-escalating difficult interactions. He is a team player.

Many of Mike's co-workers look to him to help them learn new changes to the Energov permitting software. His willingness to go above and beyond his normal job duties sets him apart from others.

Contractors and citizens routinely rely on Mike for assistance and solutions in the field. He is humble and takes on special projects with an outstanding attitude.
