

## **REAL. TEXAS. SERVICE. CHAMPION**

### **Angela Silva, Department of Animal Services**

Angela Silva is an Animal Control Officer for the Animal Services Department

With the best interests of every citizen and animal in mind, Angela ensures that everyone is heard, understood and assisted to the best of her ability.

Angela's work enforcing City Animal Control laws protects both the residents and animals in our community. She educates the public about responsible pet ownership, resulting in happier pet families and fewer violations. This can include presenting at schools, educating residents in their neighborhoods and responding to questions on the phone. If there is something that Angela is unable to help with, she is sure to point residents in the right direction.

Angela is also more than willing to step in to help assist during off-site events such as pet adoption events. With her service mindset and can-do attitude, Angela is happy to serve the City.
