

REAL. TEXAS. SERVICE. CHAMPION

Alex Sandoval, Parks and Recreation

Alex Sandoval is an Office Coordinator for Park Services in the Parks and Recreation Department.

Alex handles all payroll and purchasing for park services. She also is the primary liaison to the public for all park operation-related questions and concerns. Additionally, Alex is the Cemetery Sexton for the Mesquite Cemetery. In this role, she is responsible for record keeping, groundskeeping and coordinating processes with the families of loved ones being laid to rest, funeral homes and headstone providers.

During storms that heavily impacted the City in May 2024, Alex was one of the standout department representatives. Not only did she go above and beyond in her work to the community, but she also went all-out as a key member of her team. She is not afraid to ask questions and is persistent when tracking down information for a resident or vendor.

With her bright personality and strong work ethic, Alex is always happy to serve the Mesquite community.
