

REAL. TEXAS. SERVICE. CHAMPION

Scott Cook, Environmental Code

Scott Cook is an Inspector for the Environmental Code department. Scott is responsible for enforcing City codes related to environmental health, property maintenance, and illegal dumping. He conducts regular inspections and works closely with property owners to bring sites into compliance.

Along with being a skilled Code Inspector, Scott is a model public servant. He treats every resident and volunteer with respect, courtesy, and kindness. Whether he's addressing concerns in the field or assisting someone new to the inspection process, Scott makes sure to always communicate clearly and patiently, ensuring that everyone feels heard and supported.

With a calm demeanor, sharp attention to detail, and deep commitment to public service, Scott is a dependable and valued team member who takes pride in maintaining a clean and welcoming city for everyone.
