Danielle Chhabra, Office of Emergency Management

Danielle Chhabra is an Emergency Management Specialist for the Office of Emergency Management.

Danielle regularly organizes, plans and makes updates to emergency management programs and procedures.

She does an excellent job engaging with the public on all things related to emergency preparedness, ensuring that our community is well-equipped to handle the unexpected. Her job also includes a high level of coordination with law enforcement, the Fire Department, volunteers, and our local schools.

Danielle is always eager to learn more about how she can best serve residents through her work. Her attention to detail and preparedness for the unexpected make her a perfect ambassador for her team.
