

2016 Fire Department Paramedic of the Year – Firefighter/Paramedic Ronald Buie

Mesquite, TX – January 15, 2016 – The Paramedic of the Year award is given to an outstanding paramedic who consistently demonstrates professional excellence in the emergency medical services, moral integrity, leadership and commitment to provide quality EMS services to the citizens of Mesquite. This year’s “Paramedic of the Year” is Ronald Buie.

Ronald Buie joined the Mesquite Fire Department on January 3, 2011 and received his EMT-Paramedic certification on November 5, 2012.

Buie has always been a superb firefighter, but it is as a paramedic where Buie truly stands out. His even and factual demeanor calms patients. He always seems to know the proper course of action, and everyone around him defers to his judgment. Ronald Buie is a professional who cares and it shows. Ronald rides the busiest ambulance in the city and never evades that duty, but faces it head on with a smile on his face and love in his heart.

Ronald is the recipient of a 2013 Life Saving Award, is a Member of the Mesquite Fire Department Honor Guard and has received two Attendance Merit Bars in his short time with the Department. Ron’s file is filled with commendations recognizing his professionalism and knowledge of protocols and procedures.

Today we honor Ronald Buie as the 2016 Mesquite Fire Department Paramedic of the Year.
