

2016 Fire Department Lifesaving Award – Ambulance 04, Engine 01

Mesquite, TX – January 15, 2016 – On April 12, 2015, Ambulance 04 and Engine 01 were dispatched to a location where a 7-week-old baby was having trouble breathing and at one point stopped breathing. Upon arrival the crew started the baby on oxygen and immediately started for the hospital. The crew stayed in contact with the staff at the hospital and doctors were waiting on their arrival. The patient was admitted into the ICU with a serious viral infection, but later recovered and was discharged.

Today we honor the following members for a job well done.
