The home delivery pharmacy service that makes sense for your life and your budget

## Start saving

- PrimeMail can make a difference in your budget with savings that really make a difference — **up to 33%<sup>1</sup>**
- Save time by getting up to a 90-day supply at a time — which can also mean fewer copays
- Standard shipping is always free

## It's easy

- Ordering online is quick and easy, and medicine is always delivered in a plain package to help ensure privacy
- PrimeMail delivers anywhere in the U.S., so you can get your medicine even if you're away from home
- We speak clearly — no jargon, just what you need to know, plain and simple

## Here to help

- Speak with our pharmacy team 24/7
- Every prescription we touch is checked and re-checked in 17 different ways by our pharmacists
- We can send you refill alerts and reminders the way that you want

You have *more* things to worry about than your medicine.

Fortunately for you, we don't.

All PrimeMail orders are processed by licensed pharmacists, and all medicines are in tamper evident containers, shipped in plain packaging. PrimeMail can save you time and possibly money.
